From Our Pastor's Desk...

This month marks the 50th anniversary of the founding of the United Church of Christ. In June of 1957 in Cleveland, Ohio, the Congregational Christian Church and the Evangelical and Reformed Church voted to merge to form an historic new church. The foundations of the new denomination included the primary role of the local church, the importance of individual conscience, a commitment to social justice, and the belief that we are called to unity in the midst of diversity. Fifty years later, these values still form the bedrock of our church.

We are as varied as Hawaiians are from Samoans, and as the descendants of the Mayflower Pilgrims are from the African American descendants of the slave trade or 19th Century German immigrants. We are young and old, male and female, gay and straight, able bodied and differently abled. We are different colors and races. We run the theological spectrum from liberating to conserving. What holds us together is not that we are all alike. It is our faith in the abiding presence of Jesus Christ, and the memory of his prayer for his disciples - that they all may be one.

Even though I came from the Congregational side of our denomination, I have lived most of my life in the UCC. I was six years old when the merger happened - and my life has been blessed by this church that has dreamed big and taken stands for justice even when that was not popular.

My listening skills have been sharpened as I have sat at table with people who come from the E&R side of the merger. I have learned to respect and honor the differences in worship style and organizational structure and personality among our churches. I have learned humility as I have come to understand that there are many ways to worship, many ways to believe, many ways to express this faith of ours. Ultimately, my faith has grown as I have lived within a denomination that honors both diversity of thought and unity of spirit.

Fifty years ago, no one would have predicted the diversity that exists in our culture and our communities today. InterFaith dialogue is common now, and cross-cultural experiences are a part of everyday living. Travel, a global economy and instant communication all help to melt the borders between one nation and another.

Understanding the concept of unity in the midst of diversity is more important in today's world than it ever has been before. The UCC has led the way in many areas of Christian thought and practice - both in its predecessor denominations and in the last 50 years. I am both blessed and proud to be a part of this great experiment that teaches us all how to live together in new ways!

Celebrating Fathers!

June 17th is Father's Day, and the Worship Board is helping us to celebrate with a special day. Tie Sunday - a day when we all wear ties to worship - will help us to remember those folks in our lives who have been fathers (no matter who they are). It will also remind us that we are tied together in God's grace and love! So... WEAR A TIE TO WORSHIP ON JUNE 17th! See if you can come up with a wilder tie than Woody Perkins who specializes in outrageous ties!

June Board Meetings!

Once again, our June Board Meetings - June 12 at 6:30 - coincide with Vacation Bible School! Since every part of our church will be filled with children that evening, the Unitarian Church has graciously offered their church for our meetings. So...when you get ready to come to church for Board Meetings on the 12th - don't come to Edwards! Come to the Unitarian Church at 3707 Eastern Ave (on the corner of Kimberly Road and Eastern Ave).

A Time for Family

Life can change in an instant, and sometimes that's a good thing and sometimes it isn't. Our long-time secretary (17 years!), Teresa King, got life-changing news last month when her daughter, Melissa was diagnosed with a rapidly-growing breast cancer. We hold Melissa and her whole family - parents Bob and Teresa King, brother Mike, Kathy and Chloe King, twin sister Sarah King and her fiancé Jon Rasler, and grandparents John and Hilda Raap in our prayers. But it will take more than prayers to get through the coming months of surgery and chemotherapy. In order for Teresa to focus on the needs of her family this summer, she will be on a paid Leave of Absence from her job here at church. By the end of the summer, she will know whether she can return to work or whether she continues to be needed at home.

In the meantime, we will be hiring some temporary help to do bulletins and newsletters, and covering the office with volunteers. If you would like to help out during the summer, please sign up on the tear-off sheet in church or call Katherine (359-0331 or 441-9730). Edwards is a great church family, and together we will make the changes we need to make so that Teresa can focus on the most important thing right now - her family.

Thank You, Thank You

Dear Edwards Friends, I want to thank everyone for all your prayers and concerns for my recovery during my recent surgery. Your friendships have sustained both John and me during this time. I especially want to thank Katherine for staying with John for the 13 hours of my surgery. I truly appreciate everyone at Edwards. Dorothy Hammond

To All of You Who Participated in the planning of, and the baby shower itself. To those of you who sent gifts, and even to those of you who wanted to be there, but couldn't: THANK YOU! It really touched our hearts to know that you all care so much! The love that all of you showed our entire family and especially Donovan was amazing. I know a lot of church communities say they treat each other as family, and make sure that each individual is cared for and watched over in their prayers, but I had no idea how true any of this could be until the baby shower. We were not expecting gifts, just a get together to meet the baby. We left in awe of everything you all had done. The gifts were all so adorable, and all three of our children will have a chance to enjoy them. Most of you felt as if you were the ones getting happiness from having the chance to hold Donovan and see his precious smile, but WE felt so blessed to see the smile that he brought to each of your faces. With all our love, Jessica and Steven Buzzell

Dear Edwards,
Thank you so much for your thoughts and prayers during my recent hospitalization, especially the visits from Katherine, Lyle and the Caregivers. Laurel Ogden

Iowa Conference Annual Meeting...in Fort Dodge

This year's Annual Meeting of the Iowa Conference will gather in Fort Dodge June 15, 16 and 17. The big topic of discussion will be the future of Pilgrim Heights Retreat Center in Tama. The financial situation of the Conference has been serious for a number of years, partly due to the deficits at Pilgrim Heights and partly due to the fact that OCWM income has remained flat for the past 20 years. We have tried to do more with less for a long time, and now we are having to face the reality that we probably cannot have both a camp and a conference.

Creative options to operate Pilgrim Heights as an independent entity are being explored by many dedicated folks. Please hold the annual meeting in your prayers, and know that the Iowa Conference is doing everything possible to manage resources responsibly, both honoring our past and providing vision for the future.

Edwards Youth Group...

The Youth Groups, Breakfast Club on Sunday morning and TECT which meets on Sunday night, have come a close for the summer. It has been a wonderful year.

I extend my thanks to all of you who have provided food, shared your time, and contributed in so many ways to the youth groups this past year.

Thank you!! I would like to say thank you to the whole congregation for your love, support and prayers. We have an amazing group of young people and this is a reflection of the amazing people in our Edwards.

Although the youth are not meeting for groups on Sundays, our work is far from over. On July 7th, the senior high youth will load in vans and travel to Washington, DC for a week. We will be partaking in a important ministry in the Nation's Capital. The U.S. Census 2001 estimate showed about 20.2% of the District population of 571,822 persons lived in poverty, that equals 115,508 people. Our work in WA D.C. will be to work with the Youth Services Opportunity Program to help homeless shelters and food banks in the area. What a blessing this will be for us in our hope to bless the lives of others. We ask that in the following weeks until we leave for WA D.C., during our time there and until we return, please hold the youth and the advisors in your prayers for this important mission opportunity.

The Youth, the advisors and I thank you with deep appreciation for your support of the Youth Programs.

Thank you and God Bless You,
Sue Harrington

All Church Garage Sale XVIII Final Tally

Baxter Hall has been cleared and cleaned. All items have been delivered as promised, and the final results show a net profit of \$2739.40. Not a record, but not the lowest either. This is the additional sum to be added to Edwards Wider World Mission contributions for 2007. If you are keeping track, we have added over \$49,000 to the Mission giving since this project began in 1990. And don't forget to save those treasured items for next year's sale, our twentieth anniversary.

Wellness Tips for a Healthy Summer

During the past several months we have become aware of actions we can take regarding health care reform. The Social Justice Board will continue to provide wellness education and health care reform articles throughout the summer months. Wellness is an antidote to skyrocketing healthcare costs. Upcoming articles will include summer safety issues heat-related illnesses, sun and insect protection.

Tips for Packing a Safe Picnic:

- " Plan just the right amount of foods (safe storage of leftovers will not be required).
- " Wash hands and work areas; be sure all utensils are clean before preparing food.
- " Foods cooked ahead need to be cooked in plenty of time to thoroughly chill in the refrigerator. Keep the food at 40 F. (from the refrigerator right into the cooler).
- " Take-out foods, such as fried chicken or barbecued beef, should be eaten within 2 hours of pick-up.
- " Don't put the cooler in the trunk; carry it inside the air-conditioned car.
- " At the picnic, keep the cooler in the shade. Keep the lid closed and avoid repeated openings.
- " Place leftover foods in the cooler. Any food left outside for more than an hour should be discarded.

Thank You From the Weekday Program

Edward's first ever Trivia Night fundraiser to benefit the Weekday Programs (Tiny Tot Preschool and Edwards Mothers Day Out) was a resounding success! To date we have raised \$1,039.50! And already folks are asking, when's the next one?

No project at Edwards is ever accomplished without the support of many, and Trivia Night was no exception. We owe many, many thanks to people like Barb Bleedorn who donated two delicious sheet cakes; to Lyle Stratton who lent us the use of Rose n Thorns P.A. system; to our wonderful Youth Group helpers - Ben and Dalton, best table runners ever, and Emily K. and Blaine - best baby sitters bar none; to Jon Rasler, whose true calling is emcee extraordinaire; to Woody Perkins for his fantastic photos; to Nancy Howland (Tiny Tot Preschool teacher) for doing a great job hawking those snacks; to all those who bought tickets (often writing checks for WAY MORE than the price of admission!); to those who couldn't attend but donated to the cause anyway!); to those who offered up their prayers; to Mona Terry for designating the Weekday Program as the recipient of the offering taken at her Harp Choir Concert; and to the members of the Weekday Board whose gifts of time, snacks and sodas, and door prizes made for a virtually expense-free event. Thank you, one and all.

Mila Smith, Weekday Board Chairperson

Birdies for Charity!

Enclosed with this newsletter is the pledge pamphlet for the Birdies for Charities drive. All monies raised by Edwards will go to Edwards. In addition, by pledging to the golf charity, any additional money raised during the golf tournament above expenses, goes into a big pot that is shared by all charities. So the money sent back to Edwards will be more than pledged, and is dependent on how much Edwards has pledged. The more we pledge, the more we get back. Historically the return has been 10% of the amount pledged. In 2006, Edwards received \$1640 toward the new carpeting from this drive. Though the trustees have not specified a project yet, there are several items in the planning stages.

For those of you not familiar with golf, a birdie is when the player completes a hole using at least one stroke less than standard, (par). In 2006, the total birdies were 1974. A pledge of \$.01 per birdie would have resulted in a pledge of \$19.74. All pledges must be in to the tournament officials by July 9. You may mail it directly to the address on the back of the pamphlet, or return it to the church. We will insure all pledges are submitted in time. All entries are automatically entered in the contest. If you are the only one guessing the exact number of birdies, you will win a new Buick Enclave automobile. If no one guesses the exact number, the closest will win, but the Buick will be given away. Other prizes include a John Deere Riding mower, airline tickets, and 500 other prizes.
